Instructions

Professionalism

Please write a short essay (one page or more)

about a colleague, family member, or pastoral advisor you admire because of their professionalism, and reflect on your own level of professionalism and develop a plan to improve two aspects of your own professionalism. Also, as all of you will be graduating soon or in the next couple of years you will be entering into the workforce probably doing something within your major. Please write a one-page essay about what profession you plan on choosing and describe in detail your 5-year career goal including your starting title, desired starting salary, what industry standards you're basing your salary on, your salary and title after 5 years, and what professionalism traits you possess that will assist you to reach your goal. This can include a specific title, raise, etc. Please do not upload under the Discussions tab. Add under your Assignments tab as these are not to be shared with other classmates and don't require commenting on another classmates' post.
